

Digital Certificate Revocation Instructions

1. Completing the form

Download the revocation form from the following web address:

<https://www.digisign.ro/uploads/Revocation-Form.pdf>

Once you have completed the form, please sign it, save it, and send it to the email address suport@digisign.ro with the subject line: "Request to revoke digital certificate". Alternatively, you can print, sign, and send it by post to the following address: Str. Virgil Madgearu, nr 2-6, sector 1, 014135, Bucharest, Romania or by fax to the number: 0316202080.

2. Confirmation and Identification

To confirm your revocation request and for identification purposes, you will be contacted by phone at the number provided on the form by a DigiSign S.A. representative.

3. Notification

Upon completion of the revocation process, you will receive a notification from DigiSign S.A. at the email address associated with the certificate.

Important!:

- The revocation request must be submitted by the owner of the digital certificate.
- The email address on the form must match the email address used in the certificate.
